

DECLARATION BY APPLICANT

The information furnished in the registration form is true to the best of my knowledge and belief. I agree to abide by the rules and regulations governing the AICTE-UKIERI Sponsored refresher course on “Advance Trends in Metal Joining Processes in view of Latest Welding Processes”. I will attend the course for the entire duration.

Place:

Date: Signature of the Applicant

SPONSORSHIP CERTIFICATE

Certified that Mr./Ms. is an employee/ a student of our Industry /Institution and is sponsored to attend the AICTE-UKIERI Sponsored refresher course on “Advance Trends in Metal Joining Processes in view of Latest Welding Processes” to be held on 23rd & 24th March, 2016.

Place:

Date: Signature and seal of sponsoring Authority

HOW TO REGISTER

Participants willing to enroll for the course can register by submitting the Registration form. Registration forms can be downloaded from www.murugappapoly.ac.in.

COURSE FEE

The course is free of cost. Working lunch and refreshments would be provided to the participants along with compliment registration kit.

CERTIFICATES

All participants will receive certificates after completion of the course.

Two Days Refresher course on

“Advance Trends in Metal Joining Processes in view of Latest Welding Processes”

23rd & 24th March, 2016

Sponsored by AICTE-UKIERI

Organised by

**COMMUNITY COLLEGE
MURUGAPPA POLYTECHNIC COLLEGE**

Sathyamurthy Nagar, Avadi, Chennai – 600 062

(An Govt. Aided Autonomous Institution)

ABOUT MPC

Murugappa Polytechnic College, established in 1957 has emerged as an Institution of excellence over the past five decades. It is a Government - Aided Autonomous Institution managed by A.M.M Foundation, Chennai. The Institution is affiliated to the State board of Technical Education, Tamilnadu and it is an academically autonomous. MPC offers Full-Time Regular, Full-Time Sandwich and Part-Time Diploma Courses in various disciplines. The National Board of Accreditation (NBA), AICTE, New Delhi accredited nine Diploma Courses offered by us.

ABOUT COMMUNITY COLLEGE

The Ministry of HRD, Govt. of India is implementing “**National Skills Qualifications Framework**” in order to integrate the workforce with technical literacy. In this direction, the AICTE, New Delhi implements the scheme of “**Community College Education & Research**” and offering Vocational Diploma programmes (D.Voc) in versatile disciplines through some selected Polytechnic Colleges throughout the country. In this context, the AICTE, New Delhi has selected Murugappa Polytechnic College, Chennai and approved the starting of Vocational Diploma programme in “**Welding**”

ABOUT THE COURSE

Welding is one of the most important joining processes and it plays a predominant role in manufacturing industry. The Course will focus on the trends and advances of the state-of-the-art welding technologies such as welding processes, weldability of various materials and their applications in different domains. Prominent experts from leading industries, Welding Research Institute, IIW, IWS and Higher Educational institutions will be addressing the advancements in welding technology from international perspectives. The course provides an excellent opportunity for industrial experts, researchers and Academicians to share their knowledge on the latest development and trends in welding technologies for industrial applications. This course is organised by Community College, Murugappa Polytechnic College sponsored by AICTE, New Delhi.

ELIGIBILITY CRITERIA

Skilled workers and Supervisors working in related industries and Educational Institutions. Students undergoing study in “Welding” equivalent to NSQF Level 3 or above
